South of England Masters Cross-Country Championships

Shuttleworth Park, Biggleswade

Saturday 14 December

A group of masters athletes from Ilford AC travelled to Shuttleworth Park in Biggleswade to compete in the South of England Cross-Country Championships over a firm parkland course and once again produced good results.

The ladies were the most successful grouping for the team, racing in 4 different age groupings, all racing over a distance of 6km. Mel Jones continued her good form of the winter with 14th place in the F45 category in 29mins 06 secs, while in the F50 Dianne Crisp came home 15th in 29m 54s and Nicola Hopkinson 17th with 30m 54s. In the F 55 group Bree Nordin put in her usual gritty performance to finish 5th in a time of 28m 42s. The ever green Pam Jones took an individual medal in the F65 category finishing 2nd spot for the silver.

Nordin combined with Crisp and Hopkinson for the F50 team competition and finished in 2nd spot behind Arena 80 from Sussex with Winchester third.

The men raced over a 4 lap course which was slightly longer than the advertised 10km. There were determined runs in the M40 from Steve Philcox and Paul Holloway who finished 18th and 23rd respectively in 39m 12s and 39m 42s. Neil Crisp was in god form in the M50 category coming home 21st with 41m 07s while Steve Cheal was 52nd in the same race in 54m 54s.

Southwark Parkrun

Saturday 14 December

Here is the next instalment,

Dad and I took part in our fourth Park Run on the 14th. Dad was in good form after another full week of running to and from work and his toe was starting to feel much better after the op. We took our usual place on the starting grid, anticipating a good time. The starting gun went, well actually someone said go, and we were away. But what happened? Lots of people shot past us before I had a chance to put on my scary face and we were well down the field. I turned on the buggy motor and we were able to stabilise our position at around 6:20 pace, but Dad was having trouble keeping up, so I turned the motor off again and we settled into a much more realistic pace. Fortunately, everyone else saw the error of their ways and slowed too.

Dad hooked on the tail of the 2 runners in front and this helped pull us around. We were now able to enjoy the run and bask in the winter sun as we cruised around the rest of the course. Nearing the finish, someone must have

been cooking eggs and bacon or something at the finish line, as everyone around us including Dad started running really fast. We came in at 22:05, 8 secs up on last week. The eggs and bacon was a false alarm, but someone did offer Dad a banana; I got a rice cake.
