

Valentines Park 5k

Sunday 27th September 2015

Ilford AC fielded one of their stronger squads in the 7th and final race of the East London Five Interclub Series (Elvis) held at Valentines Park and hosted by East London Runners last Sunday.

Held over the traditional two lap 5kilometre course 236 runners enjoyed the warm September sunshine producing some very fast times with the leading 2 runners going sub 16 minutes and the top 7 cracking the 17 minute barrier.

Ilford's men's team was strengthened by the appearance of 2 talented youngsters, Ahmed Abdulle and Usamah Patel who had both raced the day before at the County Cross Country Relays but nevertheless put in excellent performances. It was Abdulle who led the Ilford charge involving himself in a titanic struggle with Orion's Jack Stroud which went all the way to the line. As both athletes sprinted for supremacy it was the Orion man who just edged it clocking 15.53 to Abdulle's 15.55. Crispian Bloomfield of Billericay and the course record holder was back in third with 16.06.

The club also dominated the veteran categories with Amin Koikai 7th overall in 16.54 getting the better of an under trained Malcolm Muir 9th in 17.07 in the Male Vet 40 division. Andy Catton easily won the MV60 class in 20.06 placing 54th overall and Tony Hyde just missed out in the over 50's with his 18.37 and 24th overall being runner up to East London's Manjit Bedi. Usamah Patel completed the winning scoring team of 4 for the race with 17.13 and 10th place. Next home were Sam Rahman 17.27 and Stephen Philcox 18.01 in 14th and 16th respectively, these 2 athletes closing the team of 6 required for the Elvis competition where once again Ilford triumphed on the day.

The women's race was notable for the cameo appearance of Havering's England international Faye Fullerton who holds the ladies course record set a few years back. Fullerton more at home over 1500 metres is however soon to run the Cardiff half marathon and was using this race as a test of pace. Running largely untroubled with her watch set to pace rather than time she picked off some of the faltering leading men in the latter stages to finish like an express train just shy of her own record in 16.42.

Krystle Balogun was Ilford's top woman in 20.14 for 58th. With club captain Jenni Sheehan unwell and unable to compete the Ilford ladies rallied well with Breege Nordin next home and top over 55 of the day recording 21.36 for 80th place overall just 3 seconds ahead of Melinda
