## **Elvis Race 7. Valentines Park 5k**

*Sunday 24 September*

Despite the days fixture clash with the Essex Championships in Pleshey, Ilford AC still managed to field a strong squad of 21 athletes in the final race of the 'ELVIS' season held at Valentines Park in Ilford.

The race was hosted by East London runners, who always put on a great fixture with plenty of marshals, music and refreshments, on a warm and dry morning ideal for running.

249 runners took part in the 2 lap course which is run on gravel paths.

Although only taking home the one medal on the day, the evergreen Pam Jones who was first in the FV65 category, Ilford still gave a very good account of themselves on the day with one debutant running for the club and an astonishing 5 of the 21 runners achieving a pb on the

day

## **Nottingham Marathon**

*Sunday 24 September*

John Crawley travelled up to Nottingham for the 'Robin Hood Nottingham Marathon' on Sunday.

The race starts and finishes at Victoria Park with its many mature trees lining the banks of the River Trent which cups the park.

The course, although beautiful, is one of the hillier marathons in the country and the day was hot throughout the event which wasn't ideal for running. The day before or day after would have been far better.

The Marathon runners are further impeded in their efforts at a good time at the half way stage when the larger 'Half Marathon event', which is run concurrently, finishes and the crowds disperse and the number of runners thins out as they are left to complete the final 13.1 miles.

John Crawley, although a little disappointed with his time still finished in a very credible 3:39:11 on the day.

The picture shows John with his sister, who also ran, and 2 boys at the end of the event.

## **Ealing Half Marathon**

*Sunday 24 September*

In one of the larger Half Marathon events of the year, over 4,100 runners took part in the Ealing Half Marathon including Ilford runner Josnara Uddin who was running her first race for the club after joining in the last two weeks.

All 13.1 miles are run on closed roads and the local community come out to support this race, which is one of the most popular on the Half Marathon circuit.

Jos was very pleased with her run and put in a very good effort of 2:11:39 to finish in 2,974<sup>th</sup> place
