Gloucester park

Saturday 16 November

The second Essex League meeting of the 2013/14 was held at Gloucester Park, Basildon. After a cold start the sun came out and a good afternoon of racing was enjoyed by all over the usual testing course.

The Ladies were the first up and their 7k course was over 2 large laps. Krystle Balogun was the pick of the ladies as she battled through to finish in 20th [32:44]. Providing excellent support were Breege Nordin in 41st , 1st V55, [36:12], Mel Jones in 46th [37:18] and closing the team Dianne Crisp in 52nd [38:31]. This was good enough for 10th team on the day out of 19. Also providing valuable back up was "young" Pam Jones in 98th [48:52].

In the Men's race held over 1 small and 2 large laps [8k] a resurgent Spencer Hempsted was first man home in 26th [29:30] which was also good enough for 1st V40. He was ably supported by the returning Tom Gardner, 36th [30:04], Steve Philcox 50th [30:45], Kevin Newell 55th [31:00], Kevin Wotton 63rd [31:29] and the ever improving Paul Holloway closed the team in 74th [31:55].
