

Much merriment at Hatfield Broad Oak with some great techy prizes as runner up Malcolm Muir wins the new super slim transparent Iphone6S mini with 9.7 inch retina display and 500 megapixel camera. Watch the birdie!

A lady official has laughed her right arm off but all is not lost as her mum waits in the wings carrying her replacement prosthetic.

Hatfield Broad Oak 10k Monday 26th May 2014

On Bank Holiday Monday a small number of Ilford Athletes took part in the popular 10k course on the figure of eight loop through the quiet country lanes of rural Essex.

First home and 2nd in the overall race was Malcolm Muir in a time of 32.54 . Muir put in a fine run to end a superb week of racing and results. Paul Holloway, who is returning to fitness completed his debut of the course in a time of 40.24.

In the ladies race, Jenni Sheehan continued her pb week to finish in 45.29, Carol Muir finished off her three consecutive days of racing with a course best of 56.56. New member, Julia Galea, on her debut race for the club was pleased with her time of 59.28, and Pam Jones, after racing on the previous day, enjoyed her run in an unrecorded time of 61 mins.

BUPA 10K

Sunday 25th May

British internationals Andy Vernon and Gemma Steel were impressive winners at the Bupa London 10,000 last Sunday as record numbers turned out in bright sunshine for the seventh edition of the central London event on an excellent course taking in many of the capital's iconic sights.

Several runners runners paraded the Ilford Club vest proudly with Malcolm Muir once again being the pick of the bunch in 33.14. Stephen Philcox was next home in 35.51 followed by Kevin Newell in 36.34 with Satha Alaga 47.48, Billy Green, 50.25 and Peter Spelman 51.41. Pam Jones stood out for the ladies with her 58.25 giving her the 3rd best age graded time of the day. Melinda Jones and Nicola Hopkins recorded 43.56 and 48.14 respectively. Two other Ilford ladies enjoying good runs were Carol Muir and Nicola Chester with times of 55.02 and 55.46.

And later....

Having now perused the supporting photographic evidence (below) I am now delighted to confirm that Bree Nordin and Steve Parker did indeed compete in the BUPA 10k this weekend recording excellent times of 44.08 and 43.38 respectively. Apologies for their cruel omission from my original report compiled hastily at the 11th hour using BUPA's inferior online lookup software.

In addition Steve topped the charts of all runners sporting the surname of Parker beating 17 other family members in the process including brothers Peter "Spiderman" Parker and distant cousin Nosey. Not to be outdone Bree also topped all competitors with the surname Nordin and as for Sathawell hang on I'll have to check.

Bree was an incredible 2nd in her age category and Steve 16th.
