Fast Friday Track meet

Walthamstow

Friday 27 June

Orion Harriers staged a meeting of 500m and 10000m in support of the scheme to improve the standard of British performances at these distances.

However, it was Ilford AC's New Zealand runner Blair McWhirter who took the honours on the night. Blair kept with the pacemaker for the first 12 of the 25 lap race and once he stepped aside pushed on to run consistent laps to cross the line in 31 mins 43.0secs in what was surprisingly his first ever track race!

In the B race there was an excellent run from Kevin Newell who ran evenly pace throughout the race. Midpoint it appeared he was slipping off the pace as the lead group sped up but as they tired he moved up the field and a last lap sprint took him up to 2nd in a new personal best of 36 mins 14.0secs. Bradley Brown was also in action finishing in 42 mins 28.1 secs for 19th spot.
