'ER Indoors

Meanwhile Ilford AC's super veteran John Batchelor has been having a fairly active indoor season over the last few weeks. Last weekend he was involved in the British Masters Indoor Championships at Lee Valley, at which himself and another "blast from the past" Ilford member, Karl Hick, competed.

Press Report 10th March 2015

In the 1500m on Saturday Batchelor was defeated within his age group by Vets AC clubmate and rock bass guitarist Peter Giles, who won the M70 title in 5:20.7 to his own 5:36.9, but on Sunday, in Giles's absence, was able to retain his M70 3000m title in 11:52.82. In the M55 3000m, former Ilford star runner Karl Hick, well supported by a mass of family members, returned to competitive athletics with a highly creditable fourth in his age group with a time of 11:07.65, a time he hopes to better significantly when running in the European Masters Championships in Poland at the end of the month.

In recent competitions Batchelor was second to Peter Giles in the Veterans AC and South of England Indoor Championships on 15th February over 800m (2:48.02) and 3000m (12:11.43) and on 22nd February won the M70 800m (2:51.74), 1500m (5:50.16) and 3000m (12:12.45) in the SCVAC championships. On 1st March, representing SCVAC, the Ilford man won the M70 800m in the EAMA Inter-Area Challenge (2:45.17) and was second to Peter Giles in the M70 3000m (12:11.62)).
