***Pednor 5 Race/ Walk Monday 1st May 2017** *On an overcast May Day evening in Pednor three Ilford ac club members took on the challenge of a five mile road and race walking event through the scenic if a little undulating lanes of the Chiltern countryside.

First up was the race walking event which incorporated the hotly contested Enfield League. Sebastian Parris lead from the gun closely followed by a Chiltern Harrier with Ilford’s Mark Culshaw and Stuart Bennett just tucked in behind. The large hill at two miles strung them out with Parris pulling away. This lead was not contested and he came home in a personal best of 44.39. Bennett, who clocked 48.31, got the better of a close tussle with Culshaw (48.41) in the final 2 miles pulling away only to be pipped for third place by other competitor less than 200m to the line. Continuing the club’s good recent run of form, the men took the team title on the day and have moved up to 2nd place in the Enfield League.

After an hour in warm clothing and a cup of tea later the three men took on the Pednor 5 mile road race amongst 250 other local athletes. The combined times of both events earnt the prestigious ‘challenge’ medal of honour. With only 37 seconds separating Parris and his 2nd placed walking rival from the previous hours racing, there was a lot to play for. going into the running race. Both men started off next to each other but again Parris stretched his rival on the first hill and didn’t look back while clocking a pb of 31.28 and winning the combined challenge by over 4 minutes. Culshaw had a superb and surging run of 42.07 which took him above a solid Bennett performance (44.37) into 4th position of the combined event.
