**\*Dagenham 5 Miles (Elvis Series)Wednesday 17th May 2017\***

The 2017 Elvis series (East London fives Interclub series) got off to a good start at Eastbrook End Country Park on Wednesday Evening when Dagenham 88 hosted the first of this years 7 summer races with their 5 mile event.

27 Ilford AC runners lined up at the start, including 5 members having their first ever race for the club

Heavy rain had settled in for the evening and on a course full of twists and turns on grass and trail paths, the rain ensured there was plenty of mud and slippery slopes to contend with.

Nevertheless the Ilford AC squad put in a very good performance with the mens team providing the first 3 V50 runners with Stephen Philcox, Tony Hyde and Neil Crisp, and Dianne Crisp being the first female V55 runner home.

**\*Southern League Athletics Meeting. Woodford Saturday 20th May 2017\***

Woodford was the setting for the second southern league match last Saturday, it is a venue which is normally windy, but this time the athletes and officials had to also put up with several downpours. It was a tough match again with the top two teams from the first round matches Woodford and Orion, as well as Newham & Essex Beagles, Braintree and Colchester

Anthony George produced the star individual performance of the day for Ilford, firstly he produced a personal best of 5 metres 50 to win the B string long jump, but his Triple jump was even better with a leap of 12metres 94 which was another personal best and currently ranks him 8th best jumper in the country for his age. To cap his day off he also ran in both relays. Anthony was joined in the jumps by his Simeon Stuart who out jumped is athlete in the Long jump with 5m 73 for 5th in the A string and then 9m 54 for 6th place in the B string Triple Jump.

Sam Malekout and Mungo Prior competed in the High Jump with Sam clearing 1metre 50 for 5th in the A and Mungo 1m 45 for 3rd in the B string, Mungo went on to compete in the 1500 where he came 5th in the A string in 4.35.

Sam had his usual busy day competing in the Shot, Discus, Javelin and stepping in at the last

minute to place second in the B string 400m

Pete Whiting and Neil Johnstone covered the remaining throws between them, and managed to secure 14 valuable points.

Vignesh Rameshbabu was making his league debut and ran an impressive 400m of 54.54, before running an equally good relay leg. Temi Adeosun covered the shorter sprints running an impressive 11.53 in the 100m, but unfortunately the wind was over the allowable limit. After doing the 800m Jack Halil stepped into the 100m B string and looked very good in running 13.21 for 5th place. Unfortunately later in the afternoon he was injured running the opening leg of 4x 400m.

Ilford struggled to get runners out in the middle distance events, but Moaad Zaahri had a very good run in the 3000m for 3rd place in the A string 3000m in a time of 9.55.73.

Tony Nixon who approaching 70 turned up to rake the Long Jump pit, but ended up running the B string 3000m and took 4th

place in the B string. At the other end of the age scale young Mario Dobrescu ran in both relays, with a very opening leg in the 4x 100.

The women's section is beginning to grow in size and there were some great individual performances, together with two great relays

Two athlete managed personal bests first up was Ellie Wright who ran the 200m in the worst of the days conditions, but managed to break 28 seconds for the first time in clocking 27.86 for 5th place in the 200m. Also running a personal best was Zuzana Sinalova who had a great race in the 1500m, in which she took the lead with 500m to go; but was narrowly beaten by the Orion athlete. However she was rewarded with a new best time of 5.34.36.

Krystle Balogun continued her impressive record in the southern league by again winning both the 400m and 800m in 61.29 and 2.27.20 and new member Efemena Adjarifo was impressive in taking 5th in the A sting 100m and 4th in the B sting 200m, in times of 13.36 and 28.97.

The 4x 100 saw Krystle actually being given a rest, as Isabella Hick made a great start, before handing over to Efemena who maintained the teams position, Ayesah Lawrence ran a great third leg and moved the team up to 3rd place, which Ellie maintained to the finish.

Krystle was back for the 4x 400 and ran the opening leg and established the team in second, Ayshah was nervous of running the 400m but after receiving her instruction from Ellie, she ran exactly to plan and maintained second place. Isabella also not used to running 400m ran another great leg which just left Ellie to bring the team home second.

Ilford ended the match in 6th place, but the 128 match points they received is the second

highest they have achieved since re-joining the league two years ago.

## **\*Stirling Marathon Sunday 21st May 2017\***

2 Ilford AC runners made their way North of the border for The Stirling Scottish Marathon, the latest addition to the Scottish running calendar.

The predominantly fast and flat course, held in the spectacular and historic setting of Stirlingshire, provided an awe-inspiring experience for experienced and first time marathoners alike.

Both runners had a fantastic race with Malcolm Muir finishing 7th in 2:43:04 and Robin McNelis coming in 49th in a time of 2:57:34
