Honours for Ilford Walkers

Enfield open 7 mile walk

Saturday 11th November

Ilford sent a team to the annual Enfield Open 7 Miles' Walk held on a nippy Saturday afternoon over 7 one mile circuits at Lee Valley Athletics Centre.

Before racing commenced, start line silence was observed for Remembrance. The guest "Mr. Starter" was former Ilford AC President Bill Sutherland BEM, a 1970 Commonwealth Games bronze medallist, who was warmly applauded onto the start line to perform his duty.

Pride of place went to in-form Mark Culshaw who finished 8th with 66 minutes and 7 seconds on the stopwatch. It was the final event in the 10-race 2017 Enfield League series, and the points claimed by Culshaw saw him confirmed as the League's top male. He was well supported by Stuart Bennett, 14th in 72.21 and who defied back injury to turnout, and Dave Kates, 16th in 73.02. They were backed up by a downfield Dave Ainsworth who made a rare appearance to close home Ilford's team to claim 3rd team prizes. Both Culshaw and Kates had the kudos of winning gold medals for their age group categories. It was a red-letter appointment for Ilford AC's Michael Croft who was appointed Chief Judge.
