Blackwater Navigation Marathon

Chelmsford Essex

Sunday 30th September

Ilfords Peter Spelman took part in the inaugural Blackwater Navigation Marathon which was limited to 50 runners as it was a trial event.

Unfortunately Peter took a wrong turn after 8 miles as a sign telling you to cross a bridge had been removed and consequently ran an extra mile or so. Peter remarked that a beautiful course, good company and great weather made it an enjoyable experience.

Peter finished in 36th place in 5.15
