## **Orion Forest 5 Miles**

Chingford

Saturday June 8th

On Saturday morning, 4 Ilford AC athletes were amongst the 210 runners lining up for the first of Orion running clubs 3 race 'Forest 5' summer series.

The undulating multi-terrain course follows a one lap route around Epping Forest.

First home for Ilford was Gary Coombes, who continues his impressive run of form, in 30:34 for 14th place.

Second Ilford runner home (not often I get to say that) was Billy Green in 40:10 for 73rd place.

First lady home, and placing 3rd in the W60 category was Julia Galea in 46:37 for 120th place.

Mandeep Bassi continues to impress, coming in for a time of 47:19 in 126th place.

Mandeep, like Julia and Billy, used the tough hilly course as a preparation run for the following days Half Marathons!

## **Southend Half Marathon**

*Sunday June 9th*

A small squad of 3 Ilford AC runners travelled down to Southend on Sunday for the Annual Southend Half Marathon which took place on a very warm morning.

The race is mainly flat, apart from some undulations in the last couple of miles, and the middle 8 miles of the course takes you up and down the Southend sea-front twice where you are greeted by large crowds of locals cheering loudly. This also gives you the chance to see club mates passing on the other side of the road a few times so there were many encouraging shouts of "Come on Ilford".

First home for Ilford (even rarer I get to say that!) was Billy Green in 711th place for a time of 1:55:02. Second home was Alison Sale in 1,258th place for 2:11:02, closely followed by Mandeep Bassi who achieved a new PB at the distance in a time of 2:16:08 for 1,417th place.

## St. Albans Half Marathon

*Sunday June 9th*

Julia Galea was the sole Ilford runner in the scenic but undulating and challenging St. Albans Half Marathon on Sunday. Julia was delighted with her time of 2:06:53 which placed her 1,330 in a field of nearly 2,000 runners.
