### **Samuels storms home at English Schools championships**

#### **ESAA English Schools' Championships**

Birmingham

*13th July 2019*

Ilford AC had 2 athletes compete in the prestigious English Schools athletics championships 2019, held at Birmingham. The English Schools is seen as competing at the highest level achievable at school level, as every top athlete in the Country competes and Aaron Samuels and Marion Dobrescu were the Ilford AC athletes in the Essex team

Due to GCSEs Aaron Samuels has had to try and combine his studies with his training , which has obviously reduced the amount of time he has been able to train. Aaron decided about a month ago to compete in the 1500 steeplechase at the Essex Schools , an event he had never done before. In the Essex Championship Aaron won the race in 4.33, after falling at the waterjump, missing out on the National standard. However Essex Athletics still picked Aaron to compete in the finals. An intense few weeks of Practising jumping the hurdles and especially the water jump, prepared Aaron for the finals in Birmingham.

Aaron, in his second ever Steeplechase race went with the leaders in the race and there was break away of 3 athletes with a lap to go. Aaron made his move with a lap to go and move 5 meters clear of the field. Coming into the final waterjump, which Aaron successfully jumped, he pulled away from the field to win by a large margin. Even better for Aaron, he ran 4.20 to not only run the fastest time in the UK in 2019 by a long way, he broke the Ilford AC club record and will win his first England vest this coming weekend when he will run for England against Wales, Scotland, and Ireland

Mario was picked to run the 200m. The 200m involved a Heat, semi and Final over 2 days. Mario ran 22.07 in the heats, 22.06 in the semifinal and then ran a storming 21.90 in the final, to come a great 3rd position. He was also part of the Essex 4x100 relay which achieved a gold medal in a championship best performance.

For a club like Ilford to have 2 athletes not only compete at the English schools but to bring home 3 medals is an amazing achievement

A 5 mile race along the Colne Valley & Essex Way, taking in the beautiful countryside around West Bergholt, with some challenging hills en route.

Ilford athlete Billy Green traveled up for the race and was looking forward to meeting 'Eddie the Eagle' who was advertised as starting the event.

Billy was slightly disappointed though when 'Eddie the Eagle' turned out to be the Colchester United mascot, basically a man dressed as an Eagle, and not the former Winter Olympic Ski jumper!

Overcoming the disappointment Billy went on to run a fine race on the tough course, finishing 34th in a time of 40:44.
