Fulham 10k

Sunday 17th Nov

Club captain **Billy Green** was chosen to represent the club in the prestigious Fulham 10k on a cold Sunday morning.

Starting on the iconic New Kings Road, the traffic free route around the borough of Fulham which takes the runners on a loop round Chelsea's Stamford Bridge ground was lined with spectators wrapped up against the morning chill cheering on over 5,500 runners.

Billy ran well to record a new PB over the 10k distance, with a time of 46 mins 45 seconds.

Despite speculation that his second post match medal was for running in the 'shortest shorts' on the day, Billy received his second medal for competing in all 3 of Adidas' city runs in 2019.

WALKING REPORT

STONE ME!

On a cold damp Saturday morning at Enfield's King George V Playing Fields the long established Enfield Open 7 Miles, now in it's 94th year, was staged over a 1 miles course made slippery by fallen leaves during it's entire length.

Pride of place went to an in-form Steve Uttley who got off to a great opening mile which saw him tucked in just behind the leaders. Shortly after setting out on lap 2, efforts ground to a halt as he needed to remove a stone in his shoe, and while doing so 5 rivals sped past a stationary Uttley.

After his setback he quickly gained momentum to pass the 5 miles' mark in 46 minutes and 10 kilometres in 58.39 to impress. He reached the finish line in 66.21 to fill 9th position in what was a good class field.

Also catching the eye was Emma Dyos in 12th spot (4th lady) in a personal best 68.03. Stuart Bennett walked a sound race to record 71.52 which secured him 17th place while always-reliable Dave Kates, 24th spot in 75.52 gained Ilford 2nd team prizes, beaten only by hosts Enfield & Haringey AC.
