BMAF Cross Country Championships

Corwen, North Wales

15th March 2020

Press Report 17th March 2020

Ilford AC veteran Dave Butler travelled for this well organised BMAF Cross Country Championship race, a proper cross country course with a few hills, some mud, a stream and a strong wind to contend with on parts of the course.

Dave started off strongly close to the leading ladies then finding himself clear of the other male runners decided to keep pushing.

He found it hard going against the wind in the second half of the first long lap, then downhill through the stream and back round for the second and final long lap.

Building up a good lead Dave pushed on keeping the pace constant to win Gold medal in the M65 category in a time of 23:46, over a minute clear of the runner in second place.

Hampton Court Palace Half Marathon

15th March 2020

Despite advice for the elderly to stay indoors King Henry VIII defied his 528 years and came out to support Ilford AC club captain Billy Green in the Hampton Court Palace Half Marathon. Celebrity West Ham fan Henry, who bought his second wife Ann Boleyn a castle near the old ground, even posed for the crossed Hammers salute with Billy pre race and said he was relieved that it looked like relegation would be avoided this season.

The Hampton Court Palace is the only race to start and finish on the grounds of a Royal Palace

The course itself is popular in that it is one of the flattest Half Marathons in the country and takes runners along the gravel paths of the River Thames, out into the town of East Molesey for 2 laps before the final two miles which are run in the gardens of the Historic Palace, finishing behind the main Palace building.

Billy, who hasn't raced for a while and hadn't raced a Half Marathon for over two years, was very pleased with his time of 1 hour 50 minutes and 44 seconds
