For anyone currently using the clubhouse at Chigwell Row for changing can you please try and keep the place a bit cleaner. There are brooms, dust pans and mops there to clean up after use.

In addition please can you please take your rubbish home with you. We don't mind a bit of litter in the bins but both were overflowing. This mainly relates to the mens changing room but I did pop in to ladies as well and although much better was far from spotless.

Anyway having been locked in at home for the last two months I am pretty domesticated now and gave the hut a good sweep out, quick mop and sterilised all the door handles and other commonly touched surfaces (disinfectant is by the sink). Please do your best to keep clean for others.

Trust the white powder covering one of the benches was just talc lol !

Thank you
