All Club e-mail messages can now be viewed via the Ilford AC web site link at ilfordathleticclub.co.uk/messages

This weeks Who's Who is the first to feature a married couple.

Gary and Kim Webb were the golden couple of the club back in the 70's and 80's and once won a bed for being the fastest married couple to finish the London Marathon!

Both competed at a very high standard and Kim still holds most of the clubs records to this day.

Some great history and photographs - Please send me any questions for either or both.
