All Club e-mail messages can now be viewed via the Ilford AC web site link at ilfordathleticclub.co.uk/messages

This weeks 'Who's Who' features a man who has been around the club for over 20 years now. He is the brains behind forming the Elvis series and started off the Harriers Wednesday night groups which is where I first started with the club.

When he moved away I took over his role as Harriers leader and Press officer and even more famously I 'almost' took over his role of 'most Jack Daniels consumed by an Ilford member at a music quiz' in Woodford in 2017. If I hadn't have gone to the toilet when I did and returned to an empty bottle, that title would have been mine.

Although he has moved away you will still see Martin at any of the races the club runs with software he created and he works tirelessly at keeping the web site working.

Ladies and gentlemen I present to you MARTIN CLARKE
