Well done to all the clubs virtual marathon runners.
It's tough enough in a race condition, let alone virtually.

The ballot for next years Virgin London Marathon in October 2021 is now open and you have until 5pm on Friday 9th October to enter.

We have no idea what allocation the club will be given, if any, next year.

We also have no idea how we will allocate places if we do receive some places but one criteria will definitely be that you must have entered the main ballot and been rejected in order to enter the club ballot.

So if you want to be in with any chance of running the Virgin London Marathon 2021 please enter the ballot on the link below
