NB

That people who are disappointed that they cant run the same course CAN virtually later in the weekend (later Saturday afternoon or Sunday before 6pm). If they submit a time from their garmin or whatever, Bob Jousiffe will include it in the individual categories.

Important point:- NO guests or spectators are allowed to attend.

Whilst 'personally' I think that with 300 runners racing, a few spectators are hardly going to be a problem PLEASE respect the integrity of our club and don't turn up unless you are in a team.

There will be Orion officials on the course and they will report back to clubs any violations. Orion have had to overcome a lot of hurdles to get a license for this race - don't spoil it for them or us.

Please refer last Friday Billys email for further information.

Satha
