We have decided to go ahead with the 12th Annual Boxing day handicap. As the name suggests it will take place on 26th December with first running going off at 10.30am. The remaining runners will then go off at set intervals, so we will be following social distancing rules.

The run is one lap of our 10 mile course, so therefore 3.33 miles, and to be honest its usually a total swamp. There will be no marshalls on the day, so if you want to run, please familiarise yourself with the course beforehand. Please let me know if you are interested in running as soon as possible so w can work on the handicaps. Gary
