## **Blackheath and Bromley Open**

## *Bromley*

Sunday 11 April

Three Ilford athletes represented the club at the Blackheath and Bromley open meeting on Sunday. First up was veteran, dad, Paul Grange in the 800m. He took a commanding lead from the start and continued pulling away from the rest of the field to win by 3 seconds to 2nd place, and 5 seconds to 3rd place and local rival, Jack Exley. Paul finished in a time of 1:58.31.

Second up was Jak Wright in the 1500m against a competitive field. Jak started perfectly with a 64 second first lap, before tucking in the chasing group and running the next lap in a slower 68 seconds. With 500m to go Jak broke away from the chasing pack and started to claw back the 50 meter lead from Southend's Sam Wheatley in the pole position. Pouring it on around the final bend, Jak was seriously eating into his lead. Jak then unleashed a monstrous kick down the home straight to close down the gap, throwing himself over the line to finish second by only 0.03 seconds in a time of 4:07.39. Jak is glad to open his season with a PB and is hoping to break the elusive 4 minute barrier this year.

Up last was the youngest of the trio, Joseph Grange, in the 3000m, who was out to challenge his club president and coach's 40 year old u15 club record of 9:31. After a quick start, Joseph tucked in to a small group to grind out consistent lap after lap exactly on pace. With 1km to go Joseph was on track to take the long standing club record. Passing the bell Joseph strung the group out, which included Holly Dixon who recently ran a sub 16 5km in the world record breaking podium 5k race. The 13 year old then shifted into top gear to run a swift 36 second last 200m; narrowly missing out on the club record with a time of 9:32. Joseph is now optimistic to shatter the 9:30 barrier this season.
