Please find below details of The Essex County Track and Field Championships 2021

.....
Good Afternoon

Further to my previous email, I would confirm that the County Championships 2021 will be on Saturday 31 July 2021 and Sunday 1 August 2021. Based upon current information we should be able to hold the championships in the same format as in 2019. If there are any changes to this they will be communicated nearer the time.

Attached are details of the championships together with an entry form if an athlete is unable to complete the on-line entry form.

Information I received from England Athletics suggest that a significant number of athletes did not register during 2020. To take part in the championships they will need to ensure they are registered for the year 2021.

Indications are that schools will not be entering en-bloc this year as the championships are after the end of the school year. No doubt clubs will encourage their younger athletes who normally compete through schools to do so this year through a club.

Paul Merrywest

Championship Secretary
