.....

This Sunday, 25th, we are holding a club run to see the bluebells in Great Wood which lies between Chigwell Row and Abridge. We will start at the club hut at 9.30 and the round trip is approximately 7 miles. Distance can be shortened by parking nearer to the off road area. I will recce on Wednesday and get some directions to pass on. All abilities welcome. It will be a bit of a 'find your own way' once we have spread out but hopefully the directions will be clear enough for us to meet up once there and of course upon return! Please email me sharonlhoney@hotmail.com if you're interested.

Cheers

Sharon
