Following a successful meeting with the Park Manager this morning we are pleased to confirm that all permissions are now in place to hold our Elvis 'Hilly 5' race on Wednesday 14th July. Entries will go up on Entry Central soon.

The course is slightly different, due to redevelopment works at the forest, but parking will again be in the first Car park off of the Main entrance (as in 2019) and toilets will be opened. New route attached.

We are very pleased to confirm that unless anything changes in the meantime we intend to hold this as a proper race – One start, and first home wins (no chip results).

We are going to need plenty of volunteers so please, if you are going to race, can you consider putting forward a friend or family member to help out.

We are going to need our usual on course marshals, car park marshals, someone to help Martin with results, people to deal with on the day entries, people to help with timings and someone to give out water.

Please let me know if you can help on the day.

In other news Dagenham 88's race on Wednesday 2nd June is now online to enter.
