Please find attached details of 'on line' Level One Track and field courses which are being held back from UKA sites until nearer the date.

As a club we are very short of officials and it would be good to add a few more, especially 'field officials'.

Providing officials gives us extra points at events, and lack of officials prevents us putting on our own events.

The course is all on line, there is no exam at the end and your course fee will be refunded once your start officiating.

Billy
