This weeks Who's Who features the legend that is DANNY HOLEYMAN.

Danny works really hard at his running, both at the track and at races and has really pushed himself over the last few years with PB's constantly being re-written (like on Wednesday).

Another thing Danny has achieved is really pushing Malcolm Muir for the best 'race face' at the club!

A great article, and some great photos....including a couple of a young Ryan Holeyman.
