Track Open Meeting

Mayesbrook

26th June 2021

Several Ilford athletes made the short journey to Mayesbrook to compete in an open meeting on Saturday. After all the recent rain it was good to have a dry and almost wind free day.

First up in the 100m was Efe Adjarho who followed up a great run in the southern league last week with a season's best time of 13.25 seconds, which is only 1/10th of a second outside of her lifetime best. The 100m were then given a second race an hour later, and Efe continued to show fine form, producing 13.28 with her second run.

Krystle Balogun ran in heat 4 of the 200m and produced a great run to take 4th place in a personal best time of 26.15, beating the pb that she set back in 2019.

Three Ilford athletes took part in the 1500m, first up was Ryder Islam, who was running his very first track 1500m. After a steady start he worked his way through the field and by the

finish he was in an excellent 4th in a time of 5.30.89.

Jordan Hinds and Samuel Crane were in the next heat, both made positive starts and were well up in the field early on, both maintained a good pace over the next few laps and eventually finished 5th and 7th. Jordan's time was 5.05.40, her second fastest ever 1500. Whilst Samuel knocked 33 seconds off his pb with a great time of 5.07.14
