If anyone was still unaware our Newman Hilly 5m race has been confirmed for WEDNESDAY 28th JULY at 7:30pm (assuming no restrictions put in place between now and then)

We are still in need of 4 more volunteers to marshal on the day to ensure all potential places athletes can go wrong are covered.

If you can help or volunteer a family member please contact me ASAP. It really is as simple as just pointing runners in the right direction.

Below is a full list of 'on the day' duties. Please check to see if you have been included and that you are still available.

Finally thank you to all those who have volunteered so far, especially those giving up their race to help.
