Great Baddow Races - 40th Anniversary Event

Hello,

Although the Great Baddow Races have been staged virtually over the last two years, the 2022 start is not far off and will be for real - not virtual.

This is your opportunity to lace up those hi-tech running shoes and work on your training routine, as we can now announce that the 40th Great Baddow Races will be on Sunday 22 May 2022.

The venue is our home track, the Great Baddow Recreation Ground, Great Baddow, Chelmsford, CM2 9RL.

Once more we are encouraging athletes to enter for the 10 mile Road Race. For those who might prefer a shorter distance, including families, children, dogs and pushchair pushers, there is the 2 mile Fun Run!

At the Recreation Ground there will be the usual stalls, children's rides, food and refreshments, all encompassed by a great atmosphere to make an enjoyable day out. There will be a medal for every finisher and trophies and gift vouchers for the winners. T-shirts are available to mark this memorable event.

For the first time we will also be allowing runners to wear bone conduction headphones when

running.

The 10 mile race has BARR Gold Grade Standard accreditation and is UKA licensed and timed by Race Timing Solutions.

Proceeds from the Races will support our chosen charities: City of Chelmsford Mencap, Carers First (Essex) and other local charities.

To protect our runners and visitors on the day we do require all entrants to be fully vaccinated (according to their age) and tested negative within 48 hours of the start of the Races, in accordance with the Government's policy on 22 May.

Online entry is now open for you to book an Early Bird entry and your running pack. All information and entry details are available on the Races website www.baddowraces.co.uk.

We look forward to welcoming you to the celebration of our 40th year.

Good Luck and see you on 22 May.

Good Morning All,

My name is Sam Yell, I am the Club Secretary for Tiptree Road Runners.

The reason for contacting you is that we have just opened up our entries for the 34th Tiptree 10m Road Race which is on 09/10/2022.

For anyone who has done this race knows that it has always been well received and it's a fast but challenging course, which we hope your members would enjoy.

I have attached a few posters/images along with the booking link below which we are happy with you sharing within your clubs or on the websites to promote entries from your members.

Should you have any questions at all please direct them to our Race Director - Scott Brenton at tiptree10@tiptreeroadrunners.com
