Ilford AC 10 Mile Cross Country Championship

Hainault Forest

February 13th 2022

On Sunday Ilford AC hosted their winter showcase 10-mile cross country event on a cold February morning. Runners were treated to the thick mud and hills that characterises most of the 3.3-mile course which is negotiated 3 times.

Ilford's men totally dominated the race providing 5 of the first 8 finishers.

Coming home in first place, by a margin of almost 5 minutes, was Malcolm Muir in a time of 63:48.

In third place was Stephen Philcox in 68:42 who was closely followed by Danny Holeyman in 68:54.

In 6th place and first M50 to finish was Diarmuid Mac Donnell in 74:35.

Stephen Crane ran strongly for 8th place in 76:58

Making their debuts in the clubs 10 mile champs and running well were Stephen Lacey and Ray 'Sparra' Everingham. Stephen finished in 22nd place in a time of 93:02 whilst Sparra was pleased with his time of 124:47 for 45th which placed him 1st V60M in the club champs.

Showing great consistency just 2 weeks after finishing last in the Essex League race at the same venue, Billy Green again finished last in a time 129:05

Amy Louise Bird ran a strong race and after almost 10 miles still found the energy for a sprint finish to finish first female overall and 9th in the race in a time of 79:04, just 4 seconds ahead of the second female on the day.

4th female on the day and 16th in the race was Anna Crawley in a time of 83:02.

3rd Ilford female home was Alison Sale, who is having a great season, in a time of 90:21.

Completing the ladies' squad were 2 of Ilford's most consistent and reliable runners Breege Nordin who was 23rd in a time of 93:18 and Frieda Keane who was 34th in 109:23

With the race also doubling as the clubs own 10-mile championships Gold, Silver and Bronze medals were awarded to Malcolm Muir, Stephen Philcox and Danny Holeyman for the men, and Amy Louise Bird, Anna Crawley and Alison Sale for the ladies.

In the clubs vets categories there was Gold Silver and Bronze for Malcolm Muir, Stephen Philcox and Danny Holeyman for the men and Alison Sale, Breege Nordin and Frieda Keane for the ladies

The race, although over 70 years old, is now held annually to commemorate Ilford AC stalwart Kevin Newell who unfortunately suffered a serious brain injury five years ago and now requires full-time care.

A donation will be made from the race proceeds to a suitable charity. It is not only supported and promoted by his comrades at Ilford Athletic Club but many of his friends that he has made from the local running community and throughout the county also turn up to either run, volunteer, or just cheer on the runners in tribute to Kevin.
