Subject: Officials and Volunteers Training Day

Message:

Dear Ilford AC,

Havering AC are putting on an Officials and Volunteers training day at Hornchurch next Sunday 13th March from 10-3pm.

We have different session running through out the day.

In the morning, we have a focus on; jumps and throws sessions for volunteers, trainees and level 1 officials and a technical manager, clerk of course and field referee session for more experienced officials.

In the afternoon, we switch our focus to setting up for a meeting and EDM set up and operation.

We would like to offer two of your field officials places for the training day, if any of your field officials would like to attend. I know we worked closer together last season in the Southern Athletics League and we hope that by attending the day it would further develop the confidence and experience of your field officials that we worked with.

I have attached the link for sign up, with the last day to sign up being Tuesday 8th March.

Any questions feel free to ask.

Kind regards,

Rachel
