For those I haven't already told, some good news on the Women's 5000m Trophy (Essex Champs).

The fundraiser has reached its target, so once design is agreed a trophy will be commissioned for the women.

As the trophy won't be ready for the Essex Champs on June 8th for this year only the winning woman will receive a small trophy to keep, a fitting way to mark the introduction of a trophy for the women in the Queens Jubilee year. The winner will then be presented with the perpetual trophy when its ready. So a bit of a unique opportunity for the women this year! It would be great to see an Ilford AC athlete as the first name on the trophy.

Thanks to our Sue Edwards for the hard work and fundraising she has been involved in, making this all possible.

Regards

Billy
