## **Hackney Half Marathon**

*Sunday 22nd May*

The Hackney Half Marathon is one of London's newest, and largest halves with over 13,000 athletes congregating on Hackney marshes for the early start.

The route skirts parks and the major roads through Hackney, which are all closed to traffic, before winding its way through the Olympic park and finishing back on Hackney Marshes.

Despite the early start the heat was intense as the race got going and there were reports of a few people collapsing with heat exhaustion.

Fortunately Ilford's contingent of three runners got through unscathed and all posted good results. Dennis Briggs led the team home in 1:34:48.

Next home was the ever reliable Frieda Keane running in her second race of the week in a time of 2:16:42. Frieda was closely followed by Mandy Reid in a time of 2:17:45. Mandy also competed in the Hackney 5k the day before as part of the Hackney Festival of running. Mandy's time in the 5k was 27:35.
