As members may be aware the automatic places awarded to the club by UKA and London Marathon have drastically reduced over the last two decades and we now just have the two places.

John Crawley waived his 2021 place, so someone else could run, so will be given first option on one place.

If you would like to be considered for a club place please notify me (Bill) no later than 21st June.

The place will be awarded on merit by the club committee based upon participation in club priority races over the last 18 months and/or volunteering at the Hilly 5, club 10 mile XC & Essex League XC. If the committee decision is tied then a ballot will be held to be drawn by either the club President or Chairman.
