Hello all,

Just a reminder to get your entries in by the end of Wednesday please.

We had some questions about make up of teams for adults - as far as possible we would expect Mens and Womens teams. We are happy if you have a partial team that someone runs an extra leg. We expect that junior numbers may mean some mixed teams. You can mix seniors and vets - first team home is what matters. If we can we will work out some vets results later.

I am told the Cricket club will be open for people wanting a beer afterwards - the tea and cake will be at the clubhouse as usual.

Anything else - give me a shout.

Cheers
