It looks like I am having a few marshal drop outs tomorrow with Covid.

If you are on the attached list and don't think you will be there can you let me know as a matter of urgency.

Anyone who is paired up may find i have to change their location on the day so look out for any updates from myself.

Please arrive no later than 6 if you are unsure where you are going, unless you are on the field then I can deal with you at 7 when I get back.

If anyone who hasn't volunteered can step up or persuade a family member to step in it will be much appreciated

Regards

Billy
