.

Ladies and Gentlemen

Please find attached the design for our new Technical Training shirts for the launch of our Centenary year.

Also enclosed is a Size guide, although if you have one of the current Light blue tops then they are made by the same company so will be the same fit.

We can now offer a full range of child sizes and female cut sizes.

These will be £17 each which is our cost.

To achieve this price, we need to make a 'bulk order' so if you want anything other than 'Unisex Small Medium or Large' I will need your orders ASAP otherwise these are the only sizes that we will 'over order' and keep stock of going forward (for example if you don't pre order and decide in a few months you want an XS we won't have stock as we need to order 100+ at a time to keep the costs low)

I don't want any money until we have the stock, but please email me any advance orders so I can keep all orders in one place

Regards

Billy
