Dear Club Secretaries

All Clubs will now be looking forward to next season's competitions and will be needing officials. Attached is a list of Level 1 Officials Courses both Track & Field and Endurance from now to the end of December 2022.

Please try and encourage your members and people who would like to become qualified officials to attend one of these courses. These courses are also on the England Athletic website, and most are virtual and can be done in the comfort of your own home.

Any Questions or queries about these courses please contact me.

Yours sincerely

Diane Wooller

Essex County Officials Secretary
