

Junior Press Report 8th November 2022

District X Country championships

Great performances by our young athletes at Redbridge District schools X Country championships

Khalif Ali (year 6) ran in the year 7 race and performed brilliantly to finish in 8th position against older boys.

Kaleb Berhe ran an excellent race in the same race and finished in 10th position.

Ryder Islam had a great run to finish in 4th position and considering he also raced last night in the Chingford league this was an excellent performance.

Aron Berhe ran a solid race and finished strongly in 10th place.

Nora Nzurike ran consistently in the year 8-9 race and finished well to claim 45th place.

In the year 10-11 race Anika Sharma ran a strong race to finish 5th .

Hopefully our athletes will have qualified to represent their Borough at the London youth games on November 19th at Parliament Hill fields
