A couple of updates / announcements

I've been asked by a couple of people to circulate their fundraising profiles for this years London Marathon.

Both worthy causes, so if you can please consider donating.

The last week has also seen the ELVIS and VETS Track and field fixtures announced. Below are all the details and dates, which shall be added to our official fixture list over the weekend

Stuart Bennett -

I am walking the London Marathon with my Daughter (running). We are doing it for Great Orman Street Hospital, as she was in their cancer ward when she was 3 and is now 35 years in long term remission for Leukaemia. I was wondering if you could circulate our just giving page on one of your newsletters if possible.
