Please find attached the car parking plans and excellent maps from Thurrock Harriers for the forthcoming County Outdoor Track & Field Championships that are taking place over the weekend of v13/14 May.

It has been agreed with Thurrock Harriers AC that parking info needs to be distributed as wide as possible to avoid the possibility of the local housing estate getting jammed with cars and preventing any emergency access. So we ask that you share this with all members of your club that are competing/spectating over the weekend

Many thanks
