Desperately short of general helpers for county champs weekend – as message below says just need volunteers to rake sand pits, retrieve javelins etc, put up high jump bars and taking results and seeding sheets to and from officials.

Either Saturday or Sunday – not compulsory to do both days.

Long days 9.30 to around 5.00 but very rewarding and championships are in jeopardy without more helpers.

Thanks

We are desperately short of volunteer help to support these championships. This is a call for HELP. We need people to cover a variety of roles – including – wielding a rake in the sand pit. Happy to collect and walk back implements, or prepared to run seeding sheets around the track.
