Open Track Meeting

Watford

Three of Ilford younger athletes went to Watford last Wednesday for the high quality twice monthly open meetings, all three took part in the 1500m

Ryder Islam and Jordan Hinds were in the same heat, and both went with the initial fast pace. The pace slowed a bit on the second lap, but Jordan was still in touch with the leaders and Ryder a few seconds back. The first 6 broke clear from the rest of the field with Jordan just hanging on. She pushed down the back straight and crossed the line 6th in a PB time of 4.46.24, her 7th PB of the season. Her time was the 11th fastest ever by an Ilford lady over 1500m.

Ryder continued to push on laps 3 and 4 and produced a very good finish to gain 3 places. His finishing time of 4.52.69 was just half a second outside his best, which was set at Watford last month.

Sam Horsley who has had a great six months since joining the club, was ready to push for a new pb in race 8. The early pace was steady but not too fast and Sam was nicely positioned. As the race progressed Sam was slightly trapped on the inside and missed the big break. However, he was still moving at a fast pace and with a strong finish down the home straight he crossed the line in 4.22.17. His time was the 3rd fastest ever by an Ilford u15 athlete over 1500m
