This weeks Press Report is all about the younger athletes, with 2 great performances at the Essex County Track Relays and the Eastern Young Athletics League.

Whilst we, quite rightly, congratulate the young athletes I think it's only fair to also thank all the people that coach the athletes, and just as importantly those that help out on match days and training nights.

The club now is getting a very good reputation for the work we do with young athletes and it's thanks to those who give up their free time that we have an exciting new generation of athletes coming through the ranks.
