Hi everone,

Every year we help the Ingatestone boys club with the organisation of this race by providing the entry desk and results service. This is not only a great race for a brilliant charitable cause but also a legacy of the late and great Ilford and Essex legend Howard Williams who did so much for the sport and first organised this race 38 years ago. This year the race will serve as a test event for next year's Essex 5 mile championships 2024 which means we will be reversing the traditional course to accomodate safety reasons and giving a more manageable finish area at the school. Please support this race either by running (only 4 Ilford ladies entries so far compared to many from Barking, H90 and Dagenham) or if not we need as many volunteers to help out on the day. We dont need marshalls just recorders and people to run the entry desk.

So sign up to run here www.entrycentral.com/Ingatestone5MileRoadRace if you are running or email me martclarke@aol.com if you can help on the day.

Many thanks

Martin
