

ONE HUNDRED NOT OUT

The Essex Way

Essex

Sunday 3rd September

The Essex Way relay is held on the first Sunday in September every year and covers 82 miles of ancient trails, footpaths, and countryside across Essex starting from Epping Station at 8am and finishing after 6pm at the Harwich Old Lighthouse in a 10 stage relay.

This is one of the County's premier events with 76 teams from across Essex and beyond competing

Ifords team of 10 not only competed the 82 miles successfully, finishing a very credible 5th, but this year, to celebrate the clubs centenary we used the occasion to run a club 100 miles by adding 3 runners to make up the remaining 18 miles.

Iford's lucky 13 runners were Ray Sparra Everingham, Seb Parris, Jim Tilbrook, Anna Crawley, Julia Galea, Malcolm Muir, Dave Thomas, Sharon Honey, Neil Crisp, Billy Green, Diane Crisp, Mandy Reid and Alison Sale.

At the end of the race it is tradition for the club to meet up at the end of the last leg for a Fish and Chip supper as reward for the days work.

With the logistics of running a relay cross country, especially getting people back to their cars, the club were grateful for the support of Robin Davis, Pam Jones, Roger Honey, Frieda Keane, Bev Thomas and Catherine Green
