All Club e-mail messages can now be viewed via the Ilford AC web site link at
ilfordathleticclub.co.uk/messages

.

Further to yesterdays email regarding unregistered athletes.

It transpires there was a bit of a misunderstanding in collating registered and actual names (Andy/Andrew, Seb/Sebastian etc.) so it may be you are actually registered when I've suggested otherwise.

An easy way of double checking is to log on to Roster athletics and do a search of your name
- It will then list all the events you have registered for.

A little tip for coaches / Managers – If you do a search by 'club' it will list all the runners registered for individual races.

Hope this clarifies, but any problems let me know

Regards

Billy
