This year, for the first time in a while we had more people wanting places than we had available.

For transparency going forward we will adopt a 'points system' for the London Marathon 2025 and in the event of more people wanting places than we have available, then those with the highest points will be awarded the places:-

Helping or Marshalling at any event we host (XC Champs, Essex League, Hilly 5) or offering assistance at a track and field event - THREE points.

Running in any Target race, as highlighted on our fixture list - TWO points.

Running in any Elvis race - ONE point.

This will apply from now and start from our XC Champs on 30th December.

.....
At the moment only Alison Sale and Ernie have expressed a wish for another Centenary (Dark Blue) Technical shirt.

Once the order goes in on Jan 1st we will not be ordering any more of these shirts ever.

No one has expressed a wish for one of our standards (light blue) Technical shirts in special cuts (ladies sizes, XS, Youth sizes etc).

Once the order goes in on Jan 1st we will only have stock of Unisex S/M/L/XL

Please let me know in advance of Jan 1st if you require anything different, as this will be our last order for 18-24 months.

Regards

Billy
