.

Hopefully of interest to some of our members, I know a few already join in and have said that they enjoy it.

.....

Hello all

I orienteer for HAVOC (Havering and South Essex Orienteering Club) and we are launching our winter series of MapRun events, with the first being in two weeks' time. We have tried to make as many races as possible available by public transport.

As these are street events, they play to running clubs, as well as orienteering clubs - the hopes being that we gather more participants. We welcome newcomers and it's very easy to get the hang of, with plenty of help provided at each event.

I attach the flyer for the series, which gives details of the races, entry process, and some general details of the series as a whole. Would be great if you could circulate amongst the club members please.

Kind regards,

Sebastian parris
